

WELCOME TO LANDSBYGGAREDAGEN

Vi landsbyggare
HÖGA KUSTEN

It's high time to register for the Landsbyggaredagen on 20 June 2017. A day filled with workshops, lectures, long-table dinner and much more.

For Landsbyggaredagen we gather Landsbyggare, entrepreneurs and associations in the rural districts of Höga Kusten offering inspiration, socializing, and dining while developing our businesses.

Landsbyggaredagen 2017 tempts with an extensive programme, including inspiration from speakers with tips on digitalisation and digital marketing. You will have the opportunity for development in the interaction with fellow entrepreneurs and experienced coaches who offer concrete tools for your particular line of business, such as within marketing in the social media, business development, digitalisation or how to apply for financial project support.

You may be interviewed and are invited to make your own 30 second film with a professional film-maker/editor. To finish the day off, we all meet up for dinner at Krogen Skogen with Barbro Uhlin and we'll all be seated at a long table in FriluftsByn.

Those looking for development and finding future partners should book their tickets to Landsbyggaredagen today!
